ABOUT EDOUARD

D.O.B.: 01/24/2007 (17yo) Birthplace: Montreal, Canada

Height: 6'3" (190 cm) **Grad:** 2025 (Kansas City)
Weight: 185lbs (84 kg) **GPA:** 4.00 (Honors & AP)

ACHIEVEMENTS

Beland was **under contract** with the **USPHL Premier's Columbia Infantry** for the **2023-2024 season**. Unfortunately, he was **unable to play due to a hip injury**, from which he has now **fully recovered**.

In **2022-2023**, he **played junior in Sweden** as one of only seven 2007-born goalies playing at that level nationwide.

He **played in 25 of 28 games** for the team that faced the **3rd highest number of shots** on goal among 103 teams, **ranking in the top 20%** of all Swedish goalies.

Preferred to **6 older goalies** to be the **senior team's** backup. He **experienced playing and life on the road** with players aged 23 to 37.

Technical, aggressive and athletic, Beland is **on another level** when it comes down to **edging, precision, speed, strength, and endurance**.

PERSONAL MOTO

Whatever the task, I only got one way to do things, to do them well.

TESTIMONIAL

“ Edouard is a sports machine, not just an athlete. He has the physical attributes and the high-performance mindset allowing him to be among the best in all the sports he practices. Edouard devotes himself body and soul to becoming the best goalie he can. He is super coachable, learns fast, and a great person on and off the ice. ”
